

# PRIME LOGISTIK

As a transport and logistics company, we ensure that your goods are delivered safely and reliably from A to B - you can count on us 100%. One of our most important 'fuels' is the pursuit of quality. For this reason, we prioritize quality over quantity.

THE PREMIUM WAY

# A SERVICE THAT LEAVES A LASTING IMPACT

We avoid overloading our schedule, ensuring that every step is carefully planned with foresight. Instead of being a large corporation with constantly rotating staff, we take pride in being a family-run business with a dedicated and long-standing team. This guarantees reliability for both you and us, assuring that your goods will reach their destination in perfect condition.

**THIS IS OUR WAY.**

## WHAT SETS US APART

Extensive Expertise

Personalized Customer Service

Years of Experience

Best Value for Money

Our thoughts truly revolve around our customers: Your transport needs take the center stage in everything we do. Thus, our entire approach is dedicated to meeting your needs and ensuring your complete satisfaction.

**YOUR SATISFACTION IS OUR SUCCESS.**

### OUR APPROACH

Collaborative  
Route Planning

Client Meetings

Secure Loading and  
Unloading

Debriefing and  
Quality Control

To meet your needs in the best possible way and ensure your order is completed to perfection, we take the time for a thorough and detailed conversation with you. Once the initial discussions are complete, we come together as a team to meticulously plan the transport, addressing every logistical detail. That is why, for us, every journey starts at the round table. Our experience proves: If it works at the table, it works on the road.

**WE LOOK FORWARD TO GETTING TO KNOW YOU!**

## SOMETIMES, SIZE MAKES ALL THE DIFFERENCE.

Our fleet includes modern trucks with varying load capacities - from standard trailers to jumbo semitrailers. Depending on the cargo, this ensures safe transport as well as optimal loading and unloading.

Any questions? We'd be happy to provide you with detailed advice. For the best results, it is ideal to discuss everything in person.

**WE LOOK FORWARD TO WORKING TOGETHER!**

# ON THE ROAD TO THE FUTURE.

Since our business takes place on Europe's roads and is associated with CO2 emissions, we place great emphasis on sustainability and environmentally friendly standards. Our vehicles are equipped with the latest technology and are designed to be especially low in emissions. Through routine maintenance, we ensure that they stay in top condition.

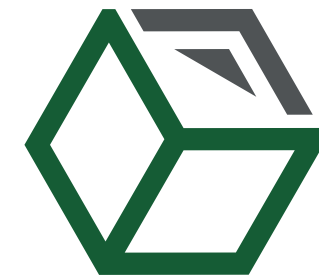

When it comes to our daily office operations, we are committed to a digital path. This means that all order processing and management are fully digital, and we strive to minimize paper usage. We recognize that this journey is ongoing and requires continuous optimization. Therefore, we are constantly working to enhance and refine our process every day.
